

# UP TO \$250 IN OER TRAINING GRANTS AVAILABLE!

Learn the basics and/or extend your knowledge of Open Educational Resources (OER) and earn digital badges through Credly.

Complete the free OER 101 and/or OER Deeper Dive training offered through the Online Consortium of Oklahoma and earn up to a \$250 grant issued through your institution! You will learn to:

- ▶ Define open educational resources (OER)
- ▶ Leverage Creative Commons (CC) licensing
- ▶ Share your own work openly with others
- ▶ Open Education Resources Use

## REQUIREMENTS

1. Complete OER 101 Module
2. Complete OER 101 online quiz
3. Complete OER Champion Module
4. Complete OER Champion online quiz

## WHO'S ELIGIBLE?

- ▶ Faculty teaching at a public Oklahoma college or university
- ▶ Staff at a public Oklahoma college or university who provide curriculum support to faculty (librarians, instructional designers, curriculum developers or similar roles)

## HOW TO APPLY

OSRHE staff will notify individuals of grant eligibility upon successful completion of the OER 101 and/or OER Champion training on a first-come, first-served basis while funding is available. Once completed with training(s), complete the FY25 OER Professional Development Completion Award MOU Generator.

Monies in the amount of \$15,000 have been set aside for FY25; trainings as well as completed MOUs must be received by April 30, 2025 in order to qualify. Funds will be disbursed in January and May 2025.

## AWARD LEVELS

### LEVEL 1

**\$100** for new completion of OER 101 during FY25

### LEVEL 2

**\$200** for new completion of OER: Deeper Dive during FY25 with prior completion of OER 101 on or before June 30, 2024

### LEVEL 3

**\$250** for completion of both OER 101 and OER: Deeper Dive during FY25
